## Tapeless Service Fees

- Service fee: \$2.40 per runtime minute with a \$50 minimum. This is not a rental fee. It covers the labor time to transfer and verify integrity of files, re-formatting upon return of the hard drive and the actual wear and tear on the capture system. This fee takes the place of the tape stock purchase.
- Client may not supply drive unless purchased through Bonolabs' "Purchase & Load" offer.
- Return clients under the Purchase & Load program pay a reduced service fee of \$1.60 per minute.

## Deposit on drives

- Pre-authorization on your credit card for value of drive.
- Dual interface configured, Firewire 400 and Firewire 800. We include a cable for the Firewire 400 & 800 interfaces and power supply. These items must be returned with the unit or there will be a \$50 fee assessed for each missing cable and \$200 for the power supply.
- Drive must be returned in the original box with the original packing.
- 250 GB: \$300.00
- 160 GB: \$300.00
- mini drives: \$200.00

Total pre-authorization for drive, cables & power supply
